

SENIORS: Of your THREE selections, one American book is **required**. Russian books are in bold.
We also require that you read the Russian book *Fathers and Sons*, by Turgenev.

"Another book was opened, which is the book of life."
Rev. 20:12

Here is your menu! Bon Appetit! If you would rather tackle a longer book (400 pages or more), we encourage you to do so. In the event you do read one of the longer selections, (marked with *), you only need to read *two* books. Savor your summer *and* the reading! This list may be found at GMWS.org under Student Resources.
